

## ***“Benediction” – Maeve***

### ***Refrain***

Halle-lu, hallelujah, hallelujah  
Halle-lu, hallelujah, hallelujah  
Halle-lu, hallelujah, hallelujah  
Halle, hallelujah!

1.

May the Lord bless you  
and keep you  
May he shine  
a light upon your face  
May you feel the heat  
of his glory in your bones  
May you know  
his kindness and his grace.

2.

May his love  
define your ways of living  
May you see  
his face among your friends  
May you live your story  
empowered by his love  
May you be comfortable  
walking in your skin.

### ***Refrain***

3.

May you find your worth  
from your maker  
And live in freedom  
all of your days  
May you grow in the sense  
of who you really are  
May his light  
show you the way.

4.

May you know  
that you have the power  
To add beauty and grace  
into this world  
May you discover all your gifts  
and give them generously  
May you listen  
for God’s every word.
